Dear Sandra

Many thanks for your fax dated the 4th March, apologies for the slight delay in responding.

I have taken a look at the original test report referenced WARRES No. 57387/B and have detailed below the maximum sizes to which we could assess up to if required.

Continued.....,

.....continued

If required, the cost to produce such an assessment would be in the region of £ 500 and would take approximately 2 weeks to produce from when we receive confirmation.

If you wish me to proceed or require any further assistance please do not hesitate to contact the undersigned

Best regards

Steve Hankey
