

ATTESTATION OF CONFORMITY

QP-23-09-27-03

Pursuant to supervision agreement FA/93/07/29, order number 2117036, this attestation is valid for the products

Extruded solid boards

(Particleboard according to DIN EN 14755)

nominal thickness range: 10 mm – 45 mm

manufactured by

**Spanplattenwerk Gotha GmbH
Müllersweg 1,
D-99867 Gotha**

at its manufacturing site

**Spanplattenwerk Gotha GmbH
Müllersweg 1,
D-99867 Gotha**

This document confirms, that the manufacturer applies a factory production, biannually monitored by supervision and certification body

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24
01217 Dresden, Germany

based on supervision agreement FA/93/07/29, including test of samples from the plant in the EPH test laboratory.

As a result of the supervision conducted on 27 July 2023 and on the basis of the supervision report 02-2023 of 27 September 2023, it is hereby confirmed, that above mentioned products fulfil the requirements of formaldehyde emission class E1 according to EN 13986, respectively DIBt guideline 100.

Thus the conditions for the validity of the certificate QP 15-05-29-02 for the monitoring period of October 2023 to March 2024 are still given as along as the mentioned test procedures and/or requirements of factory production or the product and manufacturing conditions in the plant are not changed significantly or the certificate was suspended or withdrawn by the product certification body.

Dresden, 27 September 2023
