

ATTESTATION OF CONFORMITY

QP-23-04-17-06

Pursuant to the surveillance contract WBP-2019-11-01-01, order no. 2117036, this certificate is valid for the product

Extruded tubular boards

(Extruded Particleboard according to EN 14755)

In the nominal thickness range: 18 mm – 80 mm

Manufactured by
Spanplattenwerk Gotha GmbH

At its manufacturing site
**Müllersweg 1
D-99867 Gotha
Germany**

Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH)
Zellescher Weg 24; 01217 Dresden; Germany

as certification body and accredited testing laboratory

- (A) verifies that the manufacturer applies a quality control method for the determination of the formaldehyde release acc. to EN ISO 12460-3 and formaldehyde content acc. to EN ISO 12460-5 complying with the requirements given
- (B) established a correlation between the test results of the manufacturers production control method and the results of the reference method EN 16516 or EN 717-1
- (C) established a quality control limit (QCL) for each product type

As a result of the supervision conducted on 14 February 2023 and on the basis of the supervision report 2117036/E1-2020/VL/RT/2023/1 of 17 April 2023 it is hereby confirmed, that the above mentioned product fulfils the requirements of formaldehyde emission class **E1 DE 2020** according to **ChemverbotsV Anlage 1 zu §3** using the reference method **EN 16516 respectively EN 717-1 (results multiplied with factor 2)**.

Thus, the conditions for the validity of the certificate QP-20-03-30-04 are still given and remains valid as long as the mentioned test procedures and/or requirements of factory production control are unchanged and the product and manufacturing conditions in the plant are not changed significantly, unless the certificate was suspended or withdrawn by the product certification body.
